HUNCHBACK II

Hunchback II (Quasimodo's Revenge) its program code, graphic representation and artwork are the copyright of Ocean Software Limited and may not be reproduced, stored, hired or broadcast in any form whatsoever without the written permission of Ocean Software Limited. All rights reserved worldwide.
The program runs on the Amstrad CPC 464.

LOADING

Place the rewound cassette in the cassette deck. Type RUN " and then press enter key. Follow the instructions as they appear on the screen. If there is a disk attached then type ltape followed by RUN ". In case of difficulty refer to chapter 2 of the user instruction booklet.

PLAYING

Quasimodo must make his way through the five stages of the bell-tower avoiding the bats, arrows, fire-balls and bouncing cannon balls. He must collect all the small bells on each stage in order to continue onto the next, more difficult, stage. By using the ropes, hooks and moving platforms Quasimodo can perform great athletic antics and make swift movement through the bell-tower. On the final stage Quasimodo must ring each of the large bells by pushing the hammers to the top of the bell ropes.

CONTROLS

Quasimodo may be controlled by using either the Keyboard or a Joystick. Either mode may be selected by following the on-screen instructions. Keyboard selections are user defineable. Full instructions will

HUNCHBACK II

appear on the screen. The FIRE button is used to make Quasimodo jump and to start the game.

STATUS and SCORING

On-screen scoring shows the number of lives remaining, (indicated by bells). Total score is shown at the end of each game.

Points are awarded for:

Collecting small bell – 50pts

Ringing big bell – 100pts

Completing each stage – 1000pts

At the end of each game, if your score is high enough, you are asked to enter your name in the Hall of Fame. Use your controls to move the pointer to the letters you require and press the FIRE button to enter each letter. When you have completed your name select END, this will enter your name in the Hall of Fame.
