

A LOCKED DOOR. A DEAD MAN.  
And 12 Hours to solve the murder.

DEADLINE™

First of the INTERLOGIC™  
Mystery Series from Infocom

# You have 12 hours to solve the mystery. One false move, and the killer strikes again.

When you take on DEADLINE, you're not just pitting yourself against a 12-hour time limit to solve one of the cleverest and most baffling cases in the detective genre. You're encountering a totally original concept in interactive adventure that literally puts the case in your hands. Working from an actual dossier on the crime and piecing together the myriad clues along the trail, you face a challenge so sophisticated that your suspects possess independent, flesh-and-blood personalities. And some of those personalities are so treacherous that, should you make the wrong move, one of them may do you in.

The time has arrived for you to investigate DEADLINE—First of the INTERLOGIC Mystery Series from Infocom.
