Darts is fast becoming one of the most popular sports in the world and Zeppelin Games bring you the very definitive article on the computer. The micro's arithmetical expertise eliminates the need to stop and check scores, while the unique Tutor takes even the most inexperienced young player through the complexities of finishing in the quickest and easiest fashion - and always on a double or bull, of course! The game starts off with a very clever option screen which gives you choice between:

TOURNAMENT PLAY  
ROUND THE CLOCK  
TWO PLAYER HEAD-TO-HEAD
