

# AUF WIEDERSEHEN MONTY™

Can you help Monty in his last Fight for Freedom? He must Flee For his life across Europe, in an effort to raise enough money to buy the Greek island of Montos. On Montos Monty will at last escape extradition as no one else even knows of its existence.

Travel across the continent with our mole, 'acquiring' travellers cheques and any other valuables on your way. Could Monty make a few Francs from fencing the Mona Lisa? Can our intrepid Mole repair his car in time to compete in the Grand Prix? The prize money could come in handy. The Mafia may help if he can avoid the 'heavy duty footwear'.

Romance awaits Monty in "Pizza" in the form of "Mole Fatale", the fair Juliet. Her heart begs to be captured by a daring Muscle Mole—is Monty her mole?

Can Monty tempt the palate of the German wine connoisseurs by delivering a very special bottle of Chateau Blanc from one of the finest vineyards in France.

Collect the plane tickets at the airports to enable Monty to travel from one country to another. While in flight try to nibble the back of the other planes to increase your score.

When all the objects have been collected a complete island will be displayed at the bottom of the screen. Then and only then should you go to Monty as arriving earlier may seriously damage your chances of finishing the game.
