THE KEY FACTOR

LOADING INSTRUCTIONS

Reset computer by holding down CTRL, SHIFT and ESC keys together in that order. Place cassette into the Datacorder. Rewind tape to beginning then press STOP/EJECT once. Press CTRL and small ENTER keys simultaneously then press PLAY followed by any key. This program will take about 6 minutes to load.

This adaptation of a well known game is not only fun to play but is also an interesting way to learn basic keyboarding skills.

After loading you will be given the option of which level you would like to start at, then your task is simple; shoot down the invaders trying to invade your planet by using the appropriate keys.
