

# Rainbird Hint Request

*Even the most experienced adventurers will get stuck with a problem from time to time, and despite many hours of pondering over a seemingly unsolvable puzzle, they sometimes have to resort to asking for assistance.*

*This Hint Request Form will allow you to send away for a comprehensive Hint Sheet, which will help you on your way past the point of your difficulty and into the rest of the adventure.*

*The Hint Sheets have been written by the same people who wrote the games, and they deal with all the common problems which you are likely to come across, as well as some of the more obscure ones. They are laid out so that you won't accidentally see the answer to a puzzle which you have not yet come across.*

*Even after you have completed the adventure, the Hint Sheet may guide you to parts of the game that you have missed, or not conquered completely.*

*To obtain your Hint Sheet, write the name of the adventure in the space provided below, and again on the back of a STAMPED, SELF ADDRESSED A5 (8 x 5 1/2") ENVELOPE, and send them both to the address shown below.*
