▶ DEFEND OR DIE

A classic battle spectacular where skill and reflexes are pushed to the limit, nerves strained to breaking point. Take up the solo mission of saving fellow humanoids from being plucked from your planet surface by the evil landers and then returned to outer space where they will eventually mutate and take up a pursuit on your spacefighter. And as if one deadly struggle is not enough watch out for the flying pods, swarms, alien bombers and deathly baiters, they're certainly not on your side. A hero is called for, can you fit his spaceboots.

FEATURES 3 lives and 3 smart bombs.

SCORING Mutant **175 points**, Swarmer **125 points**, Baiter **150 points**, Bomber **250 points**, Flying Pod **1,000 points**, Lander **125 points**.

If carrying humanoid and humanoid falls and survives add **250 points**. If you pick up falling humanoid add **500 points**. If you replace humanoid to planet surface add **500 points**. **Bonus Points** 100 x frame number for each humanoid saved. **Bonus ship** and smart bomb every **10,000 points**.

▶ ELECTRO FREDDIE

Experience "arcade excitement" in this topical challenge of workers against bosses with unemployment as the prize stakes. Electro Freddie the archetype capitalist head of an electronics conglomerate is after more profit, seeking higher prices for his goods. By a clever piece of union espionage the workers hear of this dastardly plan and fearing it may lose them jobs elect you, Micro Micky, to ship goods to the shops as soon as possible. You sneak into the warehouse after dark and start loading products onto the conveyor - you need 12 to move up a level. But alas Electro Freddie is lying in waiting, ready to cast deadly umstrads at you or boot you out of the door to the waiting ambulance. He's hired the evil Corporation to protect his stock and so you must dodge the prickly acorns before they poison you. You can fight back and knock Freddie down with one of his products, hitting him from above or below, and finally once all 12 are loaded he'll give up the key to the next level.

FEATURES 3 lives 11 levels.

Products (one range per level): strip plug, cassette, watch, radio, camera, portable stereo, reel to reel tape recorder, synthesizer, TV set, cruise missile, BBC Model B. 4 screen patterns, 3 and 4 feature a force barrier with a move hole through which products are to be pushed.

SCORING Placing object on conveyor **100 points**, Knocking Freddie down **50 points**, Eating custard pie (bonus) **100 points**, Extra life every **4000 points**.
