

IMPORTANT NOTICE!

This computer cassette has been manufactured to the highest possible standard. If loading difficulties occur please:

- 1) Check all leads and connectors.
- 2) Try different volume settings.
- 3) Clean and check tape recorder head alignment.

If it still fails to load correctly please fill in the coupon overleaf and return WITH THE TAPE to the address shown. We will send a new copy to you by return post and refund your postage. This notice does not effect your statutory rights.
