IMPORTANT NOTICE

Although every effort is made to provide the best possible product for your
computer, you may well find that there are certain games that will simply not
work with this interface. This may be due to a simple misunderstanding of the
instructions or maybe a faulty tape.

If for any reason your software will not load or you have any technical
problems with your interface, please contact RAM ELECTRONICS direct who will
be pleased to exchange your tape or discuss your problem further free of
charge. Simply send your tape to us and we will send you a replacement. Note
that you can copy the tape as it is not protected and you can have your own
back-up copy. If you experience any problems with your interface please
contact us first before returning the interface to your dealer.
Our telephone no. is ALDERSHOT (0252) 850085 or 850031.
