## THE MANDARIN

**Game Goal:** The Mandarin has been recruited by the rebellion to embark on a suicide mission, rescuing a small being kidnapped from a remote Imperial base called Dying Orange, which is swarming with soldiers and assassin droids. This little being is vitally important to the rebel advance in their fight against the empire. Rescue him and run away as soon as possible... You will need to collect all the energy cells to activate the emergency gateway and be able to leave the base alive.
