

CHEOPS

A graphic, animated adventure game for the AMSTRAD CPC 464.

Welcome, stranger, to the land of Egypt in the year 2500 BC. Your mission: to seek out the fabulous treasures concealed in the Pharaoh's burial chamber and escape unscathed from the pyramids.

Over 300 chambers await discovery. Dangers abound and secret passages will help you in your search.

Loading

- * The cassette contains 2 recording speeds: one fast, one slow.
- * Rewind your cassette to the beginning.
- * Press CTRL and small ENTER key simultaneously.
- * Press PLAY key of the DATACORDER and then any other key.

Important: The play PLAY key should remain depressed during the demonstration.

To interrupt the demo and load the game, press COPY.

A game can be saved onto an empty cassette by pressing S + ENTER. To reload at any part of the game, type S + ENTER.
