SKATEBOARD KIDZ

THE GAME

The object of the game is to collect parts of the bronze, silver and gold skateboards, by collecting the letters S, K, A, T, and E as you skate your way around town. To collect the letters you must jump over them by hitting the ramps. But look out, too slow or too fast and you'll wipe out!

Next, do your good deed by clearing up the garbage, give it to the old lady and she'll reward you with a bonus. Then! Race against the dude, dodging pot holes, cats, dustbins and cars to become the top Skateboard Kid.
